# BRING THE SUMMIT TO YOU!

We invite you to join your fellow adaptive faith formation leaders and the Vibrant Faith team spending three days living in to the how-to's of generating and sustaining a vibrant faith in Jesus Christ for today's world.

We believe effective, transformational ministry will take focused work in three key arenas in the years ahead: **adaptive leadership, transforming relationships and digital engagement.**

## WHO CAN HOST A SUMMIT?

A church, cluster of churches, synod, diocese, district, conference. or simply a body of Believers who choose pool resources to bring a Summit to their area.

- Hospitality and refreshments.
- Lunch each day. (For each of the 3 days.)

## WHEN?

- Any Time! Pick any date when you feel you will get the best response and a Vibrant Faith facilitator is available.
- Each day can stand alone as a 9am-3pm workshop or spread it out in two days or choose to make 3 days just like the original!
